

Completed Median

Financial Project Identification (FPID) No.: 439234-1

Median Installation

Financial Project Identification (FPID) No.: 439234-1

Median Installation

- The median will be constructed from east of I-75 to east of S.W. 17th Street; and updated from MLK Jr. Avenue to U.S. 441/U.S. 301.
- FDOT revised construction plan to minimize lane closures.
- The median will be constructed in 1,000- to 1,500- foot segments to limit delays.
- Each segment is expected to take about two weeks, though weather delays are possible.
- Contractor will work night and day.
- Access to all businesses will be maintained.
