ROADWAY RESURFACING

S.R. A1A from north of International Speedway Boulevard to Milsap Road

Volusia County

PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) is resurfacing State Road (S.R.) A1A (Atlantic Avenue) from north of E. International Speedway Boulevard to Milsap Road in Daytona Beach. Additional improvements include traffic signal and lighting enhancements, drainage upgrades, subtle alignment shifts, and raised intersections to help enhance safety.

Pedestrian safety improvements include wider sidewalks, raised midblock crossings with pedestrian-activated signals, and upgraded curb ramps to comply with the Americans with Disabilities Act (ADA).

WHAT TO EXPECT

During construction, motorists should expect intermittent lane closures and detours along northbound and southbound S.R. A1A. Please follow posted signage, avoid distractions, and pay close attention when driving through the construction zone. Certain driveways along the project corridor may experience limited access; therefore, the contractor will coordinate closely with affected property owners for any necessary work.

The project's work schedule and estimated completion date may change due to weather or unforeseen circumstances. For the most current project details and lane closure information, please visit FDOT's Central Florida website at www.cflroads.com.
