

# U.S. 17 Safety Improvements

from Spring Garden Avenue (State Road (S.R.) 15A) to Ponce Deleon Boulevard

## Volusia County

Financial Project Identification (FPID) No.: 445716-1

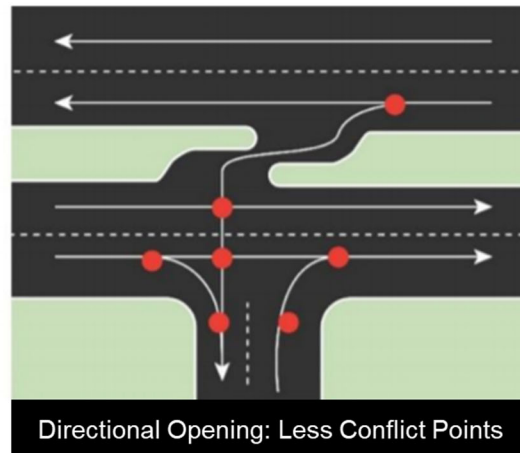

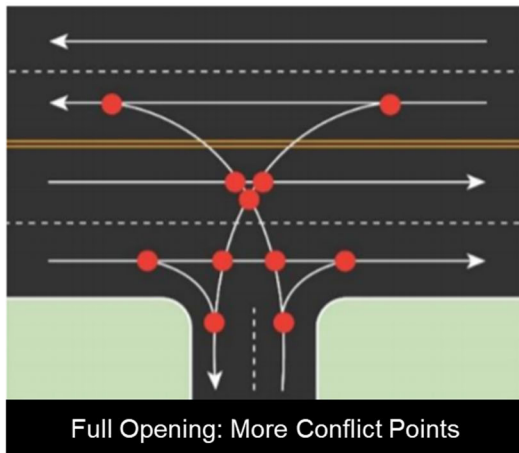

### Project Description

The Florida Department of Transportation (FDOT) proposes to enhance safety and improve operations on U.S. 17 from Spring Garden Avenue (S.R. 15A) to north of Ponce Deleon Boulevard in De Leon Springs. The project is approximately 3.1 miles in length.

There are a total of 26 full median openings and one directional opening along the corridor. Based on the findings of a 2019 U.S. 17 access management study, the project plans to consolidate median access along the corridor by closing 25 full median openings and installing bi-directional median openings at 12 locations.

Other improvements include repaving, drainage modifications, sidewalk and pedestrian curb ramp reconstruction, updated signage and striping, and lighting improvements.

### Project Status and Estimated Costs\*

Design:	Completion - fall 2022	\$ 790,000
Right of Way:	Within existing	—
Construction:	Funded - summer 2023	\$ 3.8 Million

\*subject to change
