

Getting to Implementation

Short Term: Resurfacing, Restoration, and Rehabilitation (RRR) Project

Financial Management ID #441143-1 | From Garland Ave. to Mills Ave.

FDOT

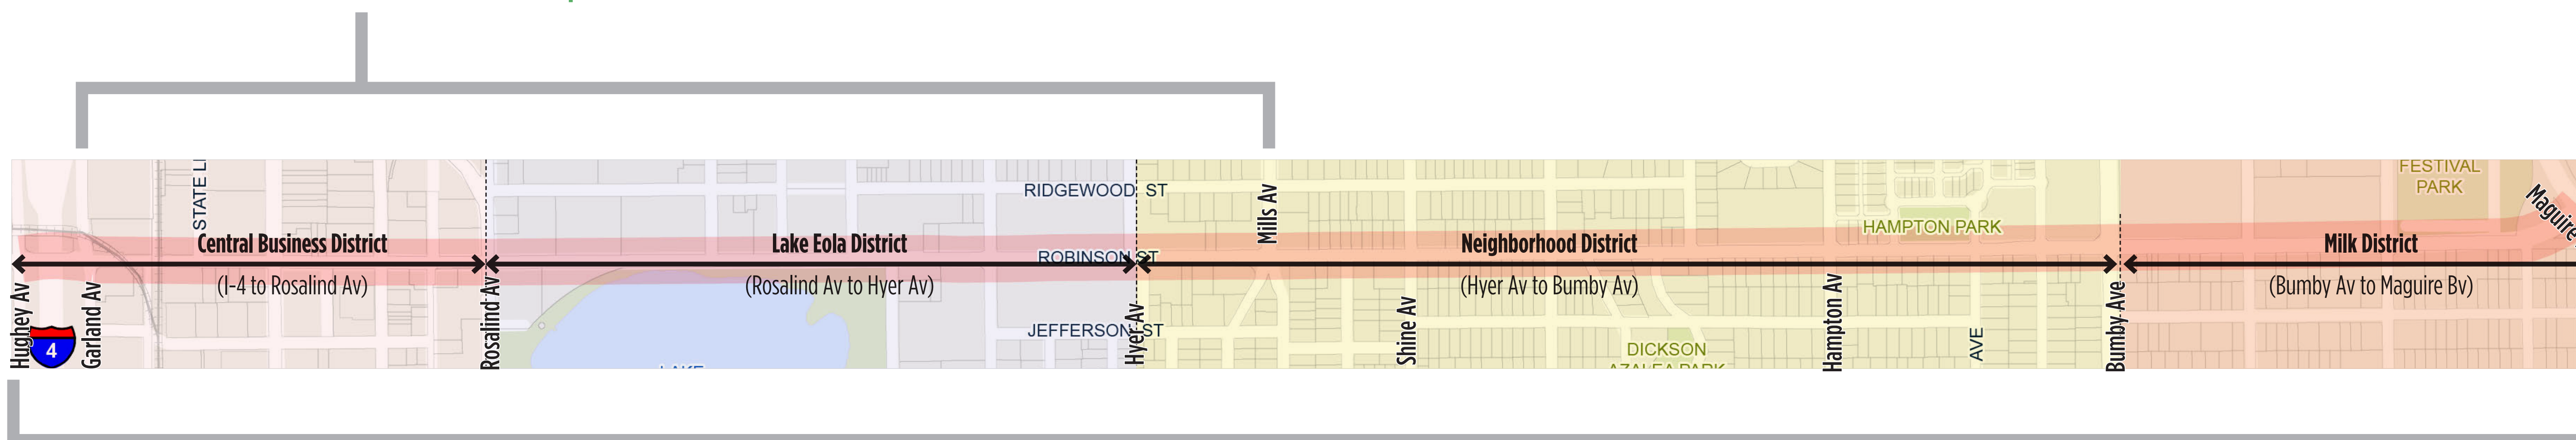

Typical RRR elements include:

- Pavement milling and resurfacing
- Signing and pavement markings restriping
- Signal timing updates
- Lighting updates
- Sidewalks upgrades
- Drainage upgrades

With Local Partners

Contingent upon funding, the following elements could be added:

- Raised tables and crossings
- Mid-block crossings
- Lane elimination
- Cycle track and shared use path
- Spot medians
- Other intersection improvements

Long Term: Project Improvements Outside of RRR Project

Financial Management ID #436394-1 | From Hughey Ave. to Maguire Ave.
