

BRIDGE REPLACEMENT

U.S. 1 Northbound Bridge Replacement over Turnbull Creek

Volusia county

**Financial Project
Identification
(FPID) No.:**
447117-1

PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) is replacing the northbound U.S. 1 bridge over Turnbull Creek in southeastern Volusia County. This project is located just north of Scottsmoor and south of Oak Hill. The northbound bridge will be replaced with a slightly higher and wider structure meeting current standards. The 12-foot-wide travel lanes will remain. The project also includes resurfacing and restriping the bridge and approaches.

WHAT TO EXPECT

Motorists should expect northbound and southbound lane closures and traffic shifts throughout the project corridor. The posted speed limit will be reduced from 65 mph to 45 mph.

Drivers are encouraged to follow posted signage, avoid distractions, and travel cautiously while navigating the construction zone. Please note the construction schedule may change due to inclement weather or other unforeseen circumstances. For the most current project details and lane closure information, please visit FDOT's Central Florida website at www.cflroads.com.

CONTRACTOR

P&S Paving, Inc.

PROJECT COST

\$5.5 million

PROJECT START

November 2024

ESTIMATED COMPLETION

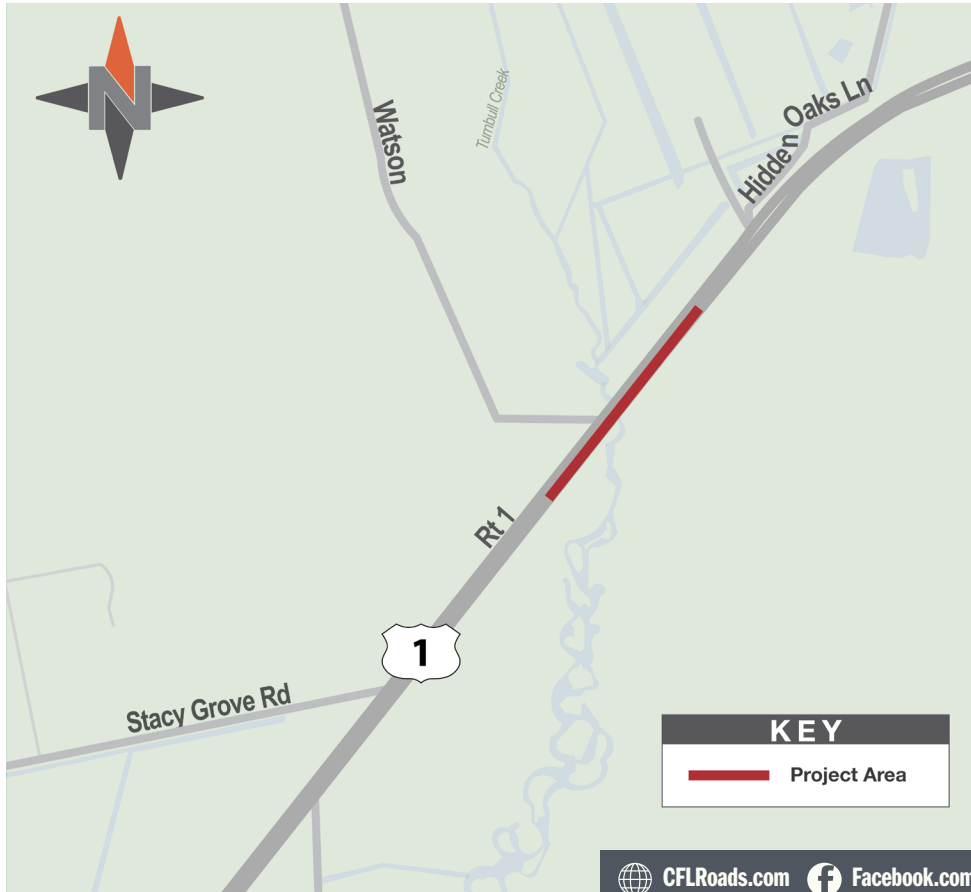

Late 2025
