

# S.R. 426 COALITION

Financial Project Identification Number (FPID): 451282-1

## Community Event

Tuesday, June 13<sup>th</sup>, 2023: 5:30 p.m. - 7:00 p.m.

## Winter Park Events Center

1050 W. Morse Blvd., Winter Park, FL 32789

**Project Overview:** The Florida Department of Transportation (FDOT) is conducting a maintenance project for the segment of State Road 426 (S.R. 426) from west of South Park Avenue to east of North Lakemont Avenue, a distance of approximately 1.7 miles.

Maintenance projects provide FDOT an opportunity to resurface a roadway and make minor improvements. As part of this effort, a coalition has been formed to identify improvements that can be incorporated into this maintenance project with the goal of improving safety for all users.

The SR 426 Coalition is studying this corridor to identify issues and solutions with a focus on engaging the local community. The coalition is evaluating a variety of factors including:

Safety

Speed Management

Pedestrian & Bicyclist Mobility

Traffic Operations

The goal of this maintenance project is to rehabilitate the pavement while incorporating proposed improvements that can be implemented within the existing right of way.

**You're Invited:** During this Community Event, solutions (known as alternatives) will be presented for public feedback. Your participation and involvement is a critical component of the study process. We invite you to attend this Community Event and stay involved in the process.
