

S.R. 426 COALITION

Financial Project Identification Number (FPID): 451282-1

Community Event #2

Wednesday, October 4th, 2023: 5:30 p.m. - 7:00 p.m.

Winter Park Events Center

1050 W. Morse Blvd., Winter Park, FL 32789

Project Overview: The Florida Department of Transportation (FDOT) is conducting a maintenance project for the segment of State Road 426 (S.R. 426) from west of South Park Avenue to east of North Lakemont Avenue, a distance of approximately 1.7 miles.

This project will provide FDOT an opportunity to resurface the roadway while also adding safety and speed management elements. As part of this effort, a Coalition has been formed to identify improvements that can be incorporated into this maintenance project with the goal of improving safety for all users.

The Coalition is evaluating a variety of factors including:

Traffic Operations

Speed Management

Pedestrian & Bicyclist Mobility

Safety

The goal of this maintenance project is to rehabilitate the pavement while incorporating proposed improvements that can be implemented within the existing right of way.

You're Invited: The Preferred Alternative, which was developed based on technical analysis and community input, will be presented at this Community Event. Your participation and involvement are critical components of the Coalition. We invite you to attend the Community Event, review the Preferred Alternative, and provide your feedback.

Project Contact:

Jesse Blouin, AICP, FDOT District 5 Project Manager
719 S. Woodland Blvd., Deland, FL 32720

Phone: (386) 943-5167

Email: Jesse.Blouin@dot.state.fl.us

Ways to Participate: FDOT is offering multiple ways for the community to participate in the event. The same meeting materials will be presented across all platforms, including in person, virtual and by phone.

IN-PERSON OPEN HOUSE: Winter Park Events Center, 1050 W. Morse Blvd, Winter Park, FL 32789 anytime between 5:30 p.m. and 7:00 p.m. to view a looping presentation and project displays, speak with project team members, and provide your feedback. Free bicycle and vehicle parking is available on site.

VIRTUAL: Interested persons may join from a computer, tablet, or mobile device to watch the pre-recorded presentation. For this option, advance registration is required by visiting <https://attendee.gotowebinar.com/register/3461091513029367386>. Once registered, participants will receive a confirmation email containing information about joining the meeting online. Please use Chrome or Microsoft Edge as your internet browser to register or attend this webinar. If joining online, please allow adequate time to log in to view the presentation in its entirety.

TELEPHONE: Participants may join the meeting in listen-only mode by dialing 1-866-901-6455 and entering the passcode 873-256-916 when prompted.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons wishing to express their concerns relative to FDOT compliance with Title VI may do so by contacting Melissa McKinney, FDOT District Five Title VI Coordinator, at Melissa.McKinney@dot.state.fl.us.

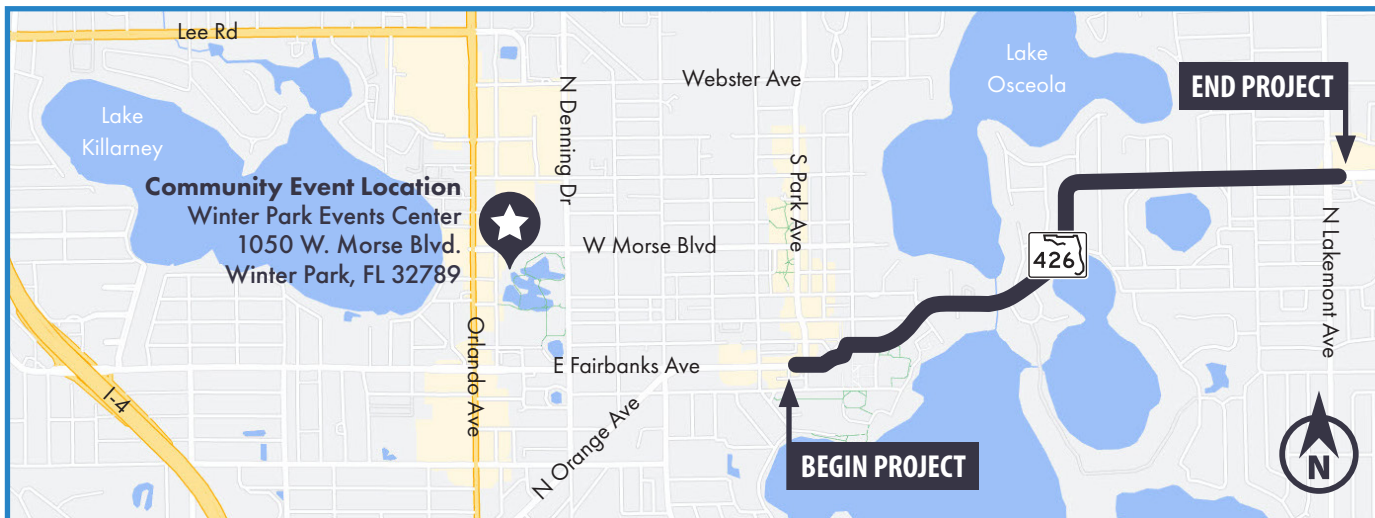

All meeting materials, including the presentation, will be available on the project website at: <https://www.cflroads.com/project/451282-1>
