

W. Granada Boulevard (S.R. 40) at Water Oak Lane Safety Improvements

Volusia County

Financial Project Identification (FPID) No.: 992200-1

Project Description

The Florida Department of Transportation (FDOT) is proposing safety improvements at the intersection of W. Granada Boulevard (State Road (S.R.) 40) and Water Oak Lane in Ormond Beach, Volusia County. These improvements will enhance safety by implementing improved access control, enhancing traffic flow and reducing the possibility of crashes.

Proposed improvements consist of converting the full median opening to a two-way directional median opening. This modification will continue to allow northbound and southbound right turns onto W. Granada Boulevard, as well as left turns onto Water Oak Lane. Northbound and southbound left turns onto W. Granada Boulevard will be prohibited at this intersection.

Signage and pavement markings will be updated and the crosswalk at Water Oak Lane will also be restriped.

Project Status and Estimated Costs*

Design:	Ongoing	\$	20,000
Right of Way:	Within existing	\$	-
Construction:	Fall/Winter 2023	\$	100,000

*subject to change
