

# INTERSECTION IMPROVEMENTS

Nova Road (S.R. 5A) at Miles Drive

**Volusia County**

Financial Project  
Identification  
(FPID) No.:  
452994-1

## PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) will improve overall safety and operations by installing a new traffic signal at the intersection of Nova Road (S.R. 5A) and Miles Drive in Port Orange. Additional improvements will include roadway resurfacing, accessible pedestrian signals, enhanced intersection lighting, and new sidewalks. Curb ramps and crosswalks will be updated to comply with the latest Americans with Disabilities Act (ADA) standards.

## WHAT TO EXPECT

During construction, pedestrians may encounter temporary changes to crosswalk routes as detours shift during various project phases. Motorists can expect single lane closures at the intersection anytime between 7 p.m. and 6 a.m. Electronic message boards and signage will inform drivers of the upcoming work. Pedestrians and motorists are urged to follow posted signage to ensure their safety and that of construction workers.

Work activity levels and noise may vary throughout different construction phases. Please be aware that the construction schedule is subject to change due to weather or other unforeseen conditions. For the latest project updates and lane closure information, please visit FDOT's Central Florida website at [www.cflroads.com](http://www.cflroads.com).

### CONTRACTOR

Highway Safety Devices

### PROJECT COST

\$1 million

### PROJECT START

February 2025

### ESTIMATED COMPLETION

Summer 2025
